

REMARKS

In the above referenced Office Action, it is stated that the current invention contains claims directed to the patentably distinct species of Figs. 1 and 5. Applicants are requested to select a single disclosed species. In response, Applicants respectfully elect to prosecute the species of Fig. 5. As stated in the above referenced Office Action, Claims 1 and 10-13 are considered to be generic. In addition, it is respectfully asserted that Claims 7-9 and 18-20 read upon the elected species of Fig. 5.

CONCLUSION

It is respectfully requested that an examination of Claims 1, 7-13 and 18-20 be made and that the results of the examination be forwarded as required. If there are any questions concerning this Response, the Examiner is invited to contact the undersigned at (321)-867-7214.

It is further requested that a one month's extension of time be granted and that the required fee be charged to DEPOSIT ACCOUNT NO. 14-0116.
